**Men's League will be accepting 48 teams (Monday Nights) & 24 teams (Thursday Nights)**

**Women's League will be accepting 24 teams (Wednesday Nights).**

Leagues will consist of 6 teams per league. Season will consist of 2 qualifying score nights (for league placement) + 5 league play nights + 2 nights of league tournament play = 9 total nights of golf.

The 1<sup>st</sup> two nights of play (one night on front 9, one night on back 9), teams will be paired for shotgun start, but it is not head-to-head match play with the team you are paired with. Each team must complete all nine holes as each team is playing for a qualifying score (no gimmies during qualifying play – you must putt in). Your team's 2 night (18 holes) score will determine placement into 6-team leagues. Tie-breaker on qualifying scores will be based on the course hole difficulty ranking.

All Men's Teams will play from the GOLD TEES for the 1<sup>st</sup> two nights of qualifying rounds.

All Women's Teams will play from the WHITE TEES for the 1<sup>st</sup> two nights of qualifying rounds.

3<sup>rd</sup> – 7<sup>th</sup> night of League Play will be head-to-head match play with the team you are paired with. Tie-breaker will be the last hole won. 8<sup>th</sup> & 9<sup>th</sup> night of play will be tournament (match play).

**Player Eligibility:** Age 18+ / Any student still in H.S. is ineligible.

**Men's League Play (Shotgun start @ 5:30 pm):**

Mon. -(Qualifier: June 3, 10) (Lg. Play: June 17, 24, July 8, 15, 22)(Lg. Tour. July 29, Aug. 5) (Makeup Dates: Aug. 12, 19)

Men's League will use 3-man teams (match play). Team will play the best drive – from there, each player will play his own ball to finish the hole. Team will combine the two best scores for the hole score. If only one player shows for a team, scoring will be his score against the single best score of the opponents on the other team. Match tie-breaker will be the last hole won.

**Women's League Play (Shotgun start @ 5:30 pm):**

(Qualifying: May 29, June 5) (Lg. Play: June 12, 19, 26, July 10, 17) (Lg. Tour. July 24, 31) (Make-up Dates: Aug. 7, 14)  
Women's League will use 3-women teams (match play). Teams will play a pure scramble format. Match tie-breaker will be the last hole won.

**Substitutes:** Players pay a one-time sub fee per team for each team they sub for. If a player subs a 2<sup>nd</sup> time for a team they do not pay the sub fee again for that team. All registered substitutes will be placed on a list and emailed to all team managers for player pickup purposes. A player being picked up as a sub may sign up and pay at the Pro Shop before they play that evening.
